International Conference on Natural Language Processing, Generative AI, Machine Learning Algorithms and Reconfigurable Intelligence

(Ic NGMR 2025)

28 - 29 ber 2025

About the conference: The International Conference on Natural Language Processing, Generative AI, Machine Learning Algorithms and Reconfigurable Intelligence (ICNGMR 2025) is a premier global forum dedicated to advancing the frontiers of intelligent computing systems. As the world rapidly transitions into the era of artificial intelligence, this conference provides a vital platform for thought leaders, researchers, and practitioners to explore groundbreaking innovations across NLP, generative models, machine learning, and adaptive AI architectures.

ICNGMR 2025 is designed to foster academic excellence and cross-disciplinary collaboration, addressing both foundational advances and real-world applications. The conference recognizes the rising demand for intelligent, scalable, and context-aware solutions that drive innovation in diverse sectors—from language technologies and automation to personalized systems and autonomous decision-making.

Amid the convergence of language understanding, data generation, and adaptive computing, ICNGMR 2025 invites a distinguished community of academicians, scientists, engineers, developers, and industry experts to share insights, present high-impact research, and contribute to the future of machine intelligence. The conference emphasizes not only algorithmic innovation and system design, but also real-world deployment, ethical AI, and societal impact.

International Keynote speakers

Dr. Anuj Kumar Goel
Focus College BC · mos
Abbotsford, British Columbia, Canada

Satyaranjan Bairagi, PhD
ETH Zurich,Postdoctoral Researcher

Dr Bhavani Prasad Yalagala
Research Manager
University of Glasgow, U.K

National Keynote speakers

Dr.Mohankumar N
Professor- Research.
Symbiosis Institute of Technology, Nagpur,India

Dr. Neeraj Kumar Misra
Associate Professor
Vellore Institute of Technology (VIT) -AP University, India

Prof. U S N Raju, PhD
Assoc. Prof, Dept of CSE
NIT, Warangal

Contact Person

Dr. K. Logesh
Contact No: 99594 08716
E-Mail: icssa2025@kec.ac.in

Technical Tracks

- *Track-1: Natural Language Processing (NLP) and Multilingual Intelligence-Low-Resource and Multilingual NLP; Language Modeling and Fine-Tuning LLMs; Question Answering and Conversational Agents; Text Summarization and Sentiment Analysis; Information Retrieval and Knowledge Graphs; Speech Recognition and Synthesis (STT, TTS); Cross-Lingual Transfer and Zero/Few-Shot NLP; Legal, Biomedical, and Financial NLP Applications; Multimodal and Dialogue-Based Language Systems, Bias, Fairness, and Explainability in NLP.*
- *Track-2: Generative AI and Machine Learning Algorithms-Generative AI: Diffusion; Transformers, GANs, Foundation Models (Text, Vision, Code, Multimodal); Supervised, Unsupervised, and Reinforcement Learning; Meta-Learning and Continual Learning; Neural Architecture Search and AutoML; Explainable and Trustworthy Machine Learning; Synthetic Data Generation and Augmentation; Few-Shot, Zero-Shot, and Transfer Learning; ML Model Compression and Optimization; Federated and Distributed Learning Systems.*
- *Track-3: Reconfigurable Intelligence and Adaptive AI Systems-Modular and Reconfigurable Neural Architectures; Adaptive Learning in Dynamic Environments; Neuromorphic and Brain-Inspired Systems; FPGA/GPU/ASIC-Based ML Acceleration; Edge AI and Real-Time Inference Systems; Cross-Domain and Continual Learning; Hardware-Software Co-Design for AI; Dynamic Model Reconfiguration and Switching; AI for IoT, Robotics, and Embedded Platforms; Robustness, Generalization, and Lifelong Learning.*
- *Track 4: Communication and Robotics-Robotic Communication Systems (5G/6G, V2X, Mesh Networks),Swarm Robotics and Decentralized Communication, IoT-Enabled Robots and Embedded Platforms, SCADA, PLCs, and Real-Time Control in Robotics ,Wireless Sensor Networks for Robot Coordination, Structural Monitoring and Civil Infrastructure Robotics, Robotic Surveying, Mapping, and Disaster Response, Autonomous Construction and Smart Infrastructure Robotics, Mechatronic Systems and Actuation Mechanisms, CFD, Thermal Systems, and Mechanical Design in Robotics, Power Electronics and Energy-Efficient Robotic Drives, AI-Driven Multi-Robot Systems for Industrial Automation, Agricultural Robots and Precision Farming Technologies, Medical and Assistive Robotics for Healthcare Systems; Human-Robot Collaboration and Safety in Industry 4.0; Digital Twins and Cyber-Physical Robotic Systems;*
- *Edge AI for Real-Time Robotic Decision Making; Robotics for Hazardous, Underwater, and Space Environments*

Information to Authors:

Conference Website: ***https://icngmr.ac.in***

Paper Format: ***https://tinyurl.com/5h443suc***

CMT Link (Paper submission):

https://cmt3.research.microsoft.com/ICSSA2025

Registration Link:

https://forms.gle/GicWE272WUUYxQkS6

Registration Charges

Type of Registration	Indian Author	Foreign Author
UG & PG Students	9.500/- + (GST 18%)	USD 200
Academicians / Research Scholars	10,000/- + (GST 18%)	USD 300
Industry Participants	12,000/- + (GST 18%)	USD 350

Submission guidelines

The full paper must be submitted through the platform Microsoft Conference Management Tool Kit (CMT) Each author confirms that he is aware of the Publication Ethic & Malpractice Statement and the Privacy Policy of the event. Authors are expected to have Scope, Novelty, Validity, data reported, analyzed, and interpreted correctly, Clarity, Compliance, and significant contribution in their articles and must meet the guidelines of format. The maximum number of pages is allowed only Five (5). An article more than 5 pages will be charged Rs 1000/- per page.

Important Dates

Submission Deadline : 31 July 2025
Acceptance Notification : 05 Aug 2025
Registration Deadline : 15 Aug 2025
Conference Dates : Dec 28-29,2025

Review Process & Indexing

The full paper must be submitted through CMT Final papers with Plagiarism of less than 10% undergo a review process. All the Accepted and Presented papers will included in Taylor & Francis Conference proceedings, indexed in SCOPUS.

Payment Details

Account Number: 1412135000009470
IFSC Code: KVBL0001412,
Name: EISPL, KVB Bank, Tirupati - 517501.
PaymentDirect : 9959408716@ICICI

Address

Venue : VBIT, Aushapur, Ghatkesar, Medchal, Telangana, 501301.
